Acorn Dealer News

10th April 1997

Dear Acorn Dealer,

Enclosed with this letter is the latest price list from Acorn. All items that have changed since the last published price list are marked with ** in the left hand column. These include changes to pricing, specification or additions of new items to the list.

During April 1997 we will be running a special offer to all Acorn Dealers. If you buy 10 Pocketbook II's *(AHB05* or *AHB07)* you will receive 10 FREE A-Links *(AHA30)* or 1 FREE Pocketbook. This offer expires on 30th April 1997 and is available while stocks last.

A product specification leaflet for the new Casio QV-100 digital camera *(Product Code: QV100)* which was released last month is also enclosed. If you wish to receive further copies of this leaflet, please contact the sales desk on 01223 725920.

The Trade in scheme has been amended *and* extended. We will now accept ***any*** computer (including BBC micro's) for the trade in and the end date has been extended until the 31st May 1997. This offer is open to all UK residents who join the Clan at time of purchase (or are already Clan members). Application forms are enclosed with this letter (please photocopy this original as many times as is necessary).

The StrongARM Risc PC's are our main focus desktop machine. Our stocks of Risc PC 700's (ACBxx) are now nearly exhausted. Only ACB78B's remain in stock and our stocks are very low. No further Risc PC700's will be manufactured.

All new Risc PC's will come with 200Mhz StrongARM processors fitted. (see enclosed price list for details).

There are still a lot of questions about the new Acorn Network Computer. We are hoping to arrange a dealer event during May 1997 to invite you to join us for a day to cover this exciting new product and other news from Acorn. Further details of this event will be announced as dates and locations are set.

Russell Scoates
UK Dealer Sales Executive
